Lee Ramseyer Bache

Lee's work is about human's subjugation of the living world, the inertia of industrial action in our technological epoch, and storytelling about place.

Born from a desire to take story telling through film out of the cinema and into the street, his multi-disciplinary creative practice was formed in direct response to both the evolutionary nature of public art and the radical potential of projection technology, as well as a shift in ideas of place and public space.

Selected works

Artistic Direction

- 2020 LANIMALS online
- 2020 VCA Street Art Virtual Walking Tour, Collingwood, Melbourne
- 2019 Sunshine Silos Projection Festival Due West Arts Festival, Melbourne
- 2019 Trail of Lights Festival Truganina, Melbourne

Projection Art

- 2019 Denude Shorts Place, Geelong
- 2019 Perspective Gertrude Street Projection Festival, Melbourne
- 2019 Assembly Room Geelong After Dark, Geelong
- 2018 The Embodied Landscape Testing Grounds, Melbourne
- 2018 Ignite Gertrude Street Projection Festival Mini, Melbourne
